Interiors.Inc. Furniture

sankou Group has more than 20-years history in the furniture business . As the leading manufacturer and exporter of modern furniture in china. Sankou has its own professional design team and manufacturing factories in both South and North China. Sankou’ s contemporary design perfectly fits modern homes and is extremely popular in Japan.

Sankou’ s furniture is environmentally friendly. Its major products use paulownia wood which has been applied for centuries in Japan for furniture production because of its green nature and light weight . Sankou also makes its products to health by not adding formalin in lacquer.

Sankou Interiors Inc was established in Ontario to bring its contemporary furniture to the North American market Supported by Sankou group’ s strong manufacturing capacity and pioneering design ,we are happy to provide North American people stylish furniture with first class quality , affordable price and unbeatable customer service.
